

## **Environmental Management System Policy**

ChipBLASTER Inc. is Committed To The Prevention Of Pollution To The Environment By Continually Improving The Impact Of Its Products And Activities Through the Environmental Management System.

We achieve this by:

- Considering the impact of our product design and redesign on the environment.
- Identifying the impact of our activities on the environment and monitoring and / or improving our significant aspects
- Complying with all legal requirements, product requirements and all other requirements that we set for ourselves.
